

The Plainville Association for Retarded Citizens, Inc.

PARC is an agency that supports individuals with developmental disabilities in recreation, respite, educational and daily living needs. PARC also sponsors Camp Trumbull, a summer camp serving school age clients. The camp offers social interaction, fun activities and field trips within the community setting. PARC has been in existence for over 50 years and has progressed in the services needed to improve the quality of life of our clients. Through the past 50 years PARC has served hundreds of thankful families who would not have the opportunity to utilize these programs if not for the generosity and dedication of the Plainville community.

Knights of Columbus

The Knights of Columbus is the largest Catholic lay organization in the world with more than 1.7 million members in over 14,000 local councils. Last year Knights donated more than 64 million volunteer hours and gave more than \$139 million to charitable and benevolent causes to benefit their church, community, councils, families and youth. For its part in the tournament the Plainville Knights of Columbus Council 3544 designates the majority of its share of the proceeds to its scholarship fund. The principles of the Knights of Columbus are charity, unity, fraternity and patriotism. These remain the foundation on which the organization continues to grow.

Thank You for your generosity.
