

PARC/Knights of Columbus Charity Golf Classic

April 17, 2009

Dear Friend,

PARC and the **Plainville Knights of Columbus (KoC)** organizations are teaming up again this year to offer the **PARC/Knights of Columbus Charity Golf Classic** as a means to raise funds to continue their missions.

Begun in 1957, **PARC** has the mission to foster an understanding and acceptance of people with disabilities by:

- Providing information and support services to individuals with developmental disabilities and their families and friends;
- Providing education to community members,
- Providing recreational, educational and vocational activities in an environment conducive to independence.

The **Plainville Knights of Columbus Council 3544** is one of over 14,000 local councils that make up of the largest Catholic lay organization in the world, the Knights of Columbus. Our local Council was established in 1952 and is dedicated to strengthening family life. We are guided by our principles of charity, unity, fraternity and patriotism, serving as witnesses to the good news of Jesus Christ through charitable programs and activities. In addition to hundreds of volunteer hours of service we host a variety of events to benefit high school scholarship funds, PARC, and other local charities. In addition, we host youth programs like the International Basketball Free Throw Championship locally.

Hawk's Landing Country Club in Southington will be the venue on **Saturday May 16, 2009** for the 18-hole charity tournament. The highlights of the tournament activities are outlined in the enclosed brochure and include a continental breakfast, lunch at the 9th hole, dinner, awards, prizes, and raffle.

Plainville is a small community that has a long tradition of supporting its local non-profit organizations. We are hoping this tradition will continue as we ask for your support. So that many may participate in this worthy event, several sponsorship opportunities are available, with the **committee currently seeking hole sponsors, golfers, and monetary or prize donations**. Please refer to the brochure for details. Should you need additional information, please call Rich Dziura (KofC) 747-5451, or Diane Kraut (PARC) 747-0316.

We hope that you will consider donating to this great charity event, and also hope that you might join us for a fun day of golf. To register for golf, sponsor a hole, or to donate a prize you may simply complete the associated panel of the enclosed brochure and mail at your earliest convenience.

We thank you, sincerely, in advance for your support of those we serve.

Yours truly,

Diane Kraut, President
PARC Board of Directors
